1. The following is an examiner's statement of reasons for allowance:

1. The following is an Examiner's statement of reasons for the indication of allowable subject matter:

The subject matter of the claims is allowable over prior art of record because all prior arts fail to teach or fairly suggest a system and method for a wireless device to efficiently access affiliated addresses across linked topical communities, providing an input-output subsystem for receiving affiliated address data from a network gateway, a subject processor operatively connected to the input-output subsystem for initial processing of the received affiliated address data. A network address sub-processor operatively connected to the subject processor for classifying the processed affiliated address data, and at least one memory subsystem operatively connected to the subject processor and the network address sub-processor for holding an affiliated address control program which executes processing routine for the system.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Alpus H. Hsu whose telephone number is (571)272-3146. The examiner can normally be reached on M-F (5:30-3:00) First Friday Off.
